**Middlesex Probate And Family Court Refuses To Docket And Process Timely Notices Of Direct Parallel Appeals Only To Continue To Conceal The Now Fully Uncontested Organized Conspiracy To Discriminate And Retaliate Substantiated In The U.S. Supreme Court Docket No. 25-6878**

Dear Chief Justice Amy Lyn Blake,

I am respectfully submitting the two attached, now fully supported, parallel "First Amended Notices Of Constitutional Questions-Raising Direct Appeals..." to the Massachusetts Appeals Court pursuant to the Mass. Rules of Appellate Procedure Rule 4 (a)(1)(B) or "Mistaken filing in the Appellate Court," i.e.,

"If a notice of appeal is mistakenly filed in an appellate court, the clerk of such appellate court shall note the date on which it was received and transmit it to the clerk of the lower court from which the appeal was taken, and it shall be deemed filed in such lower court on the date so noted."

As documented in my closely related pending appeal, No. [REDACTED] (see the attached "Addendum To Docketing Statement"), the original notices of direct appeal were successfully e-filed with the Middlesex Probate and Family Court on 5/16 & 19/2025, effectively before the start of the appeal of the underlying "derivative matter" in the Middlesex Superior Court. Moreover, the Superior Court appeal has been fully briefed since 12/1/2025 -- with my duly e-filed "Reply Brief" accepted by the Appeals Court on that day.

Nevertheless, the two proper and parallel Family Court appeals are still "processing" my two "Renewed Motions To Compel Assembly Of To Be Paired Record Pursuant To Timely Filed Parallel Notices Of Appeal," simultaneously allowed by Judge [REDACTED] on 10/17/2025. Following the trial held in the Family Court on 2/10/2026, my **437 comprehensive "individual facts,"** i.e., the effective controversy in my still pending [REDACTED] appeal, have now been confirmed by Judge [REDACTED] to be fully "uncontested and unopposed." Consequently, I have requested the Family Court to amend or alter its "findings of fact."

Simultaneously, I have petitioned the U.S. Supreme Court to review the assembled, extensive record that the Massachusetts Supreme Judicial Court had repeatedly ordered me to complete. I have incorporated the notice for docketing SCOTUS No. 25-6878 on 2/23/2026, along with the full text of my SCOTUS petition regarding the SJC's two final orders, into the amended notices of appeals & supporting affidavit.

Summarizing my SCOTUS petition, I have diligently and meticulously substantiated that an **organized conspiracy to (reverse) discriminate & retaliate** (against the "never protected" class of straight white fathers and "useless" legal immigrants) exists in the deeply child-predatory "feminist" and profiteering "LGBTQ+" purely Marxist-agenda-driven Commonwealth of Massachusetts. I therefore concluded that:

"Specifically, the unequivocally manifested objective of this [Family] Court is to continue to protect the undisturbed flow of the fraudulently 'maximized' federal reimbursements -- on the now half-million dollar usuriously accumulated combined in-arrears child supports/other court-ordered child-care expenses -- while effectively denying the impoverished children the benefits of the meticulously documented ~\$10M+ that this Family Court deliberately damaged Father with. Consequently, as the openly proclaimed 'feminist' and 'LGBTQ+' progressive agenda is a mere facade to conceal the child-predatory and profiteering intent to systemically discriminate (and to **confuse and damage our innocent children with forced 'fatherlessness'**), Father hereby timely, within 30 days, appeals the 2/25 denial and 2/26/2026 manifested neglect by Judge [REDACTED] (Exhibit 1) of Father's effort to rectify all three of his [Family Court] dockets consistently -- with his now confirmed uncontested and unopposed comprehensive 'individual facts' -- and to apply his right for relief [and/or] remedy through [his motions for relief from] Rule 60 (b)(6) fraud on the court even asserted by SJC-13427."

As expected, the Family Court suddenly changed the "rules" once again on 3/6/2026. Substantiated by the attached email, my attempt to timely amend the unjustifiably "dormant" original parallel notices of appeals (e.g., by e-filing the herein attached amended notices) was rejected by Family Court, with the **"Notice of appeal cannot be e-filed"** clearly manifested and repeated obstruction of justice -- as I have already diligently reported to the SJC that my physically mailed notice of appeal was simply discarded back in 2024 and my comprehensive "individual facts" (other than my "straight white father & 'useless' legal immigrant" convenient political identities) hand-delivered to the Family Court were plainly erased.

Consequently, I am respectfully praying that the Massachusetts Appeals Court will respect my desperate attempts to properly and timely review **all of the judgments**, decrees, and appealable orders on all 3 of my parallel Family Court dockets, and relay these amended notices of appeals back to the obstructing Family Court, pursuant to Mass. R.A.P. Rule 4 (a)(1)(B), i.e., "Mistaken filing in the Appellate Court."

Respectfully,  
/s/ Imre Kifor<sup>1</sup>, Pro Se

**ADDENDUM TO DOCKETING STATEMENT**Appellate Issues

The 3 appeals to be paired (see the attached motions to compel the assembly of the record) are proof that Mass. law does not recognize "reverse discriminations" against white straight male legal immigrant fathers, thus directly contradicting federal law. Moreover, a meticulously compiled Supreme Judicial Court record substantiates that a **deeply child-predatory** & Marxist-agenda-driven profiteering (for fraudulently maximized federal reimbursements) conspiracy is in play by the "LGBTQ+" State, protected by a deliberate, organized, and also ruthlessly retaliatory racketeering pattern. Consequently, the same two constitutional questions are raised that have been reiterated before the U.S. Supreme Court (see petition No. 24-7282 distributed for the conference on 9/29/2025).
